Electrician	Grid connect solar design & installation. Information on government rebates. Spit system air conditioning. LED lights and installation,	Stephen Breheny Electrical Contractor 3/2 Murphy St, Castlemaine M: 0415 507 777 E: sbreheny@tpg.com.au

LIGHTING		
LED Lights replacing Dichroic Lights	A 7watt LED replaces a 50Watt Dichroic down light and lasts 20 times as long. No lead or mercury, low heat and very low carbon production. They can be dimmed and remain as bright as the first day they are installed. Orders, supplies, information and installation.	Stephen Breheny Electrical Contractor 3/2 Murphy St, Castlemaine M: 0415 507 777 E: sbreheny@tpg.com.au Contact Steve to see LEDs in action at his home

WINDOWS AND GLAZING, SHADES AND BLINDS		
Double glazing style film	ClearComfort insulation is a tough, transparent membrane that attaches to your window frame to enclose an insulating layer of air. Keeps warmth inside your house in winter, and outside your house in summer.	www.clearcomfort.com.au to search for your nearest distribution agent Available locally at Green Goes The Grocer Templeton St, Castlemaine
Double Glazing	Double glazing panels made to order, any size (gas filled)	Peter Gow Castlemaine M: 0407 532 678
Energy rated windows & doors, double & triple glazing windows, skylights	Latest energy savings technologies that achieve energy savings of up to 65% and 80-90% noise reduction.	Paahammer Pty Ltd 11 Smallmans Rd, PO Box 26, Ballan T: 5368 1999 E: mail@paahammer.com.au W: www.paahammer.com.au
Duette window shades	Energy efficient window shades for hot & cold weather. Also external sunscreens, canvas awnings, shutters, heating, etc	Robinsons 26 Hargraves St, Castlemaine T: 5472 4748 E: ashley@terryrobinson.com.au
Quilt blinds	Locally made blinds and other home furnishings from natural materials	Louise Moysey & Daughters, Castlemaine T: 5472 1212 rmoysey@bigpond.net.au

Comfy Homes Project Keep your cool and costs down

Updated 16/02/2011

Product/Service	Description	Available From
Renshade	Double-sided aluminum foil laminate on kraft paper – perforated to let light in, but not radiant heat. Reduces up to 85% summer heat.	Maldon Timber & Hardware High Street, Maldon T: 5475 2465 Tonks Bros Timber & Hardware (See above)
Secondary glazing	Secondary glazing (www.ecoGlaze.com.au) which will convert single glazing to double glazing for about 1/3 of the price of double glazing. This is a relatively new product that we have spent 5 years developing.	ecoMaster Macedon Ranges T: 1300 326 627 E: lyn.beinat@ecoMaster.com.au W: www.ecoMaster.com.au
Double glazing	Information and service	Tonks Bros Timber & Hardware Castlemaine

PLUMBING		
Green Plumbers	For a list of locally registered plumbers. GreenPlumbers is an innovative initiative developed by the Master Plumbers and mechanical Services Association of Australia (MPMSAA)	www.greenplumbers.com.au
Water Smart Gardens & Homes Rebate Scheme	Info on government rebates. Eligible products include water efficient showerheads, upgrading to eligible dual flush toilets, garden products, rainwater tanks and systems for reusing household waste water.	Our Water Our Future W: www.ourwater.vic.gov.au/saving/home/rebates
Biolytixwater Naturally	Specialist in sales/installation of Biolytixwater Naturally, water saving, solar hot water, grey water recycling, roofing, stormwater, sanitary, water supply & drainage	Plumbing Naturally Servicing Kyneton, Castlemaine & Bendigo communities M: 0402 802 455 E: plumbingnaturally@bigpond.com

DRAUGHT STOPPING		
Draught stoppers & excluders	Range of self-adhesive strip seals & door extensions to stop draughts in windows and doors	Tonks Bros Pty Ltd 224 Barker St, Castlemaine T: 5470 5100 Maldon Timber & Hardware 26 High Street, Maldon T: 5475 2465

Comfy Homes Project Keep your cool and costs down

Updated 16/02/2011

Product/Service	Description	Available From
Draught stoppers installation, service & advice	Advice on keeping your house free from draughts, insects, dirt & noise. Installation of screen doors, roof ventilators, blinds, plastic double glazing etc, advice on keeping your house warm in winter, cool in summer.	The Draught Proofing Service PO Box 6, Harcourt 3453 M: 0467 444 300 T: 5474 3156 E: thedraughtproofingservice@gmail.com
DraftStoppa ceiling casing	Self-seal casing for ceiling exhaust fans for use with units venting directly into the roof cavity (for details see www.draftstoppa.com.au) - \$30 each, \$27 for MASG members, (normally \$33-\$42)	Colin Vincent - CV Insulation M: 0434 191 714 E: cvinsulation@gmail.com
Draught proofing products	High quality draught proofing products for windows and doors; we manufacture these products ourselves to be long lasting and don't make it difficult to close doors / windows - great for elderly or infirmed.	ecoMaster Macedon Ranges T: 1300 326 627 E: lyn.beinat@ecoMaster.com.au W: www.ecoMaster.com.au
Spinaway	Ventilation of roof cavities of domestic dwellings, replaces summer heat and winter damp with fresh air, reduces energy costs, creates dry, more effective insulation. Powered by the wind.	Maldon Timber & Hardware High Street, Maldon T: 5475 2465

INSULATION		
Discount insulation	200 bags of insulation - \$40 per bag (\$5 per square metre of material). Also R3.5 Glasswool, 8 square metres of material per bag; labelled to comply with Aust standards. Limited amounts of formaldehyde-free Guardian from the USA and formaldehyde-free Earthwool.	Colin Vincent - CV Insulation M: 0434 191 714 E: cvinsulation@gmail.com
Spray foam insulation	Insulation products designed for the indoor environment. Each product is tailored to accommodate different Perform as a continuous insulation and air barrier material. Create an energy-efficient, comfortable environment, provide a protective barrier to the entry of outdoor allergens and pollutants.	Icynene W: www.icynene.com
Spray foam insulation	A spray-applied polyurethane foam insulation system which is made up of millions of microscopic cells that simultaneously insulates and provides an air-seal in wall, floor and ceiling cavities. See video demonstration on website.	Insulfoam solutions 68 Pakington Street Geelong West, VIC, 3218 T: 1300 793 853 W: www.insulfoamsolutions.com.au

Comfy Homes Project Keep your cool and costs down

Updated 16/02/2011

Product/Service	Description	Available From
Underfloor insulation	2 in 1: Insulation and moisture management system. Designed for suspended floor applications. Fibre-free, non-allergenic, non-itchy. Advanced thermal performance.	Air-Cell Permifloor W: www.air-cell.com.au Available Tonks Bros Pty Ltd 224 Barker St, Castlemaine T: 5470 5100
Underfloor insulation	Flame-retardant polystyrene insulation panels with concertina cuts for placing snugly between your floor joists. A 20mm air gap is provided by ribs on the insulation panels. See website video insulation demonstration.	Expol Insulation T: 9720 4200 W: www.expol.com.au Available Tonks Bros Pty Ltd 224 Barker St, Castlemaine T: 5470 5100
High quality insulation	High quality insulation products; Autex polyester for ceilings and underfloor as well as Air-cell products for underfloor insulation.	ecoMaster Macedon Ranges T: 1300 326 627 E: lyn.beinat@ecoMaster.com.au W: www.ecoMaster.com.au

PAINT		
Plant based paint finishes	Painting & decorating, all conventional & plant based paint finishes, wallpaper & plaster finishes	Jim Copland Natural Finishes M: 0458 374 579 T: 5472 2854
Insulated paint/coating	INSULTEC is a solar heat re-radiating coating which by its application to the exterior surface of a building will re-radiate 95% of solar infra-red rays, and 85% ultra violet rays back into the atmosphere. Thus keeping inside cooler by 6-10 degC. As a result it either eliminates the need for air conditioning altogether or greatly reduces its running costs.	Google for further information and retail outlets.
Nippon Solar Efect exterior paint	Resists colour fading from UV light and the build up of dirt, mould and algae, reduces surface temperatures by 5-15°C. Available in Low Sheen and Gloss for use on dressed and rough sawn timber, bricks, concrete, fibre cement board, masonry, Zinalume and galvanised iron.	Available only from Bunnings Stores 263-265 High St Kangaroo Flat T: 5444 8555 Other reflector paint advice: Tonks Bros (see above)
