Program includes social research and solar electricity.	Central Victoria Solar City 3 Johnstone Street Castlemaine, VIC, 3450 T: 5479 1900 <a href="mailto:mountalexander@centralvictoriasolarcity.com.au">mountalexander@centralvictoriasolarcity.com.au</a>
Home and Business Energy Assessment	The Central Victoria Solar City aims to help the Central Victorian community rethink the way it uses energy. The project has developed a number of products and services that help householders, businesses, community centres, schools and hospitals reduce their energy use and/or transition towards more renewable energy sources. All of these products and services are monitored through research.	Sonny Neale - Central Victoria Solar City Project <a href="mailto:sonny.neale@centralvictoriasolarcity.com.au">sonny.neale@centralvictoriasolarcity.com.au</a> 3 Johnstone St, Castlemaine M: 0467 519 008 T: 03 5479 1900 <a href="http://www.centralvictoriasolarcity.com.au">www.centralvictoriasolarcity.com.au</a>
